*Special Note: We have created an “Idea List” on Amazon that you may use to purchase the above items if you wish. You must create or already have an Amazon account to view the list. When you view the “Idea List”, you may click on the items you wish to purchase. It is not required that you purchase your school supplies from Amazon; however, if you choose to do so, please double-check the items before you complete your transaction. You will need to add items separately as needed and choose color preferences. Additionally, you can print the list with pictures simply for suggestions of more specific items, as needed. You can find the idea list from the following link: 5th grade Supply List - <http://a.co/hXfxZl2> or you may search for the idea list on amazon by inputting specific school information.
